

The College

of the
STATE BAR OF TEXAS
Professionalism Through Education

Dear State Bar College Member:

Re: State Bar College's Jim D. Bowmer Professionalism Award

If you know a College member who should be recognized for professionalism, please submit the enclosed nomination form. Each year the State Bar College awards the Jim D. Bowmer Professionalism Award to a lawyer, who is a member of the College and who has demonstrated professionalism during the year that furthers the goals of the College and the legal profession, elevates the prestige of the legal profession, promotes legal ethics, furthers continuing education of lawyers, and serves as an incentive to others.

The recipient of the award is recognized and given a plaque at a continuing legal education seminar sponsored by the College. In addition, a \$1,000 cash award is given to the Texas Equal Access to Justice Foundation in the name of the award recipient.

A copy of the nomination form and a list of past recipients are attached. The deadline for submitting nominations is December 31.

Thank you so much for helping us to publicly recognize and honor someone who has promoted professionalism in the practice of law.

Sincerely,

A handwritten signature in cursive script that reads "Patrick A. Nester".
